Old Business

July Launch Report: The launch was a big success and a good time was had by all.

Request volunteers: Dennis announced that he would not be seeking another term as OROC president and a volunteer is needed for next year. The job of NAR section president is also in need of a volunteer.

Sheridan Launch status: Scheduled for September 10, 11, 12. A 5,000-ft. waiver was applied for but it has not been approved yet. Until the waiver is approved, the Sheridan Launch will be conducted under FAR 101 regulations. There will be a night launch on Saturday night. The OROC trailer will arrive on Friday the 10th at approximately 2:00. Members are encouraged to come help set up the equipment. Gary Fillible will coordinate with the landowner regarding camping; we will announce the landowners' parking and camping preferences. We anticipate that the ground will be covered with bits of straw. Therefore, fires will likely be prohibited. Launch times: Saturday 8:00 to 10:00, Sunday 8:00 to 4:00.

Alvord Launch: Canceled due to fire danger

New Business

North Plains Launch: Scheduled for 10:00 – 3:00 with set-up between 9:00 to 10:00

Extreme Rocketry Article: Alex McLaughlin and Rick Clapp were recognized for their article covering the FITS launch in Mansfield Washington. Well done!

August EX Launch: Scheduled for August 20, 21, 22

Meeting ajourned.
