Meeting Minutes

December 2, 2004

The meeting was held at Giovanni's in Beaverton.

Board members present: Dennis Winningstad, Greg Clark, Bob Moscoe, Yvonne Moscoe, Dave Bradley

Meeting was brought to order shortly after 7:30 pm

Yvonne presented the Treasurer's Report.

Dennis announced that we would be ordering more hats and T-shirts for the 2005 flying season. Especially smaller T-shirt sizes are needed.

Dennis also mentioned that we plan to have pre-printed announcements available to be read at LCO shift changes. This will help keep flyers and visitors informed of OROC range policies, land-owner expectations, shirt and hat availability, and range fees and donations.

Dennis asked for a volunteer to organize the NAR competitions.

Bob reminded us that the first trailer party of the year is scheduled for Saturday, March 5, 2005. Time and location will be confirmed at a later date.

Dennis explained that the OROC annual meeting would be held on the first Thursday in January. This was done because the letter accompanying the election ballots stated that the meeting would be on January 6, 2005. Typically the annual meeting is the second Thursday, but that is not the case this year.

Greg reviewed his effort to coordinate the OROC launch schedule with the Fighter Wing schedule. There is a possibility that even if the Fighter Wing is planning activities, they may agree to avoid the corner of the airspace over the Brothers launch site. Greg continues to coordinate the schedule and obtain the necessary FAA waivers. His goal this year is to have a waiver for every weekend from 8:00 AM to 10:00 PM. The OROC schedule will be officially published after it has been confirmed. A schedule of launches in the Pacific NW, including preliminary OROC dates, is available at northwestrocketry.com.

Dave announced that members should have received ballots in the mail for the upcoming election of the Board of Directors. Ballots are due at the January 6, 2005 meeting.

Matt Jones offered to assist with membership badges this year.

Meeting adjourned at approximately 8:10 PM
