## **Announcements**

The next meeting will be April 3.

There will be a trailer party April 19 at Mark Gholston's where the trailer is being stored, indoors. In addition to the regular cleaning and maintenance, the main objective will be to work on the Quad Pods, assessing their condition and making whatever repairs are possible.

## **New Business**

John Lyngdal proposed a finder's fee for finding a low power launch site in the Portland area.

Suggested criteria included

- \$200.00 gift certificate prize for Tammie's Hobbies
- within 60 mile driving distance to Giovanni's
- at least 10 OROC members and 30 people total would need to attend
- prize would require hosting at least 2 launches, at least 2 weeks apart
- sanctioned by the OROC BoD
- wouldn't have to be big enough for FAR 101, but D/E/F would be nice

- the main idea would be to increase participation from outside the club.  
An email notice will be put together about the proposal.

There is a proposed pickup launch on April 5, at which John Lyngdal and possibly BORG members will assess the condition of the porta-potties. It was suggested that parts could be pre-fabbed and installed before the May launch, in particular one floor.

Steve Tarr brought the lost and found box.

Matt Jones reported that he is working on the 2008 launch poster and is looking for photos to use.

The meeting was adjourned at 8:18 PM.
