Recap of LDRS withdrawal

Brief recap of events leading to withdrawing OROC as host.

The club board is in discussion with the Brothers40 property owners to do a new range layout for the range that would allow us to run high power launches from that property only. This will potentially involve new parking, fire breaks, and pad areas, but the orientation and configuration are not yet finalized.

Big thanks to all the folks who chaired the various planning committees for LDRS.

2022 Schedule Draft - Brothers / High Power

AP Showers: April 8-10
Spring Thunder: May 13-15
NXRS: June 9-12 (same as LDRS)
Summer Skies: July 8-10
Sod Blaster (TCR): Sept. 2-5
Fillible's Folly: Sept. 16-18
Rocketober: Oct. 14-16

Anticipating the first Saturday of each month again for Garden Home Park low power launches.

Call for new business

Rob Appleton: Will the new range allow for N motors.

Gary: Yes

Can we retrieve from Chris' property?

Gary: Basically, yes.

George Rachor: Thanks to the board for trying to work with Chris, too bad it didn't work out.

Gary: Thank you!

Erik McKee: Are we square with Chris with regard to lease payments?

Gary: Yes.

Weather station: We bought it! Paid for the TRA PIP! Gary has it at his house now. We will work on getting it set up this year.

Gary Lech: BOD, please check my email re: OSU launch in January / February in Brothers.

Gary: Will do.

George Rachor: New launch site in Goldendale (Gorge Rocketry). 14k waiver. Can support TARC and SLI contest teams. Planning to hold monthly launches starting this month.

George Rachor: Two TARC teams in the works as well as two NASA SLI teams.

Gary Goncher: A big thank you to Tim Ryerse, outgoing promotions director.

Gary Goncher: Sage clearing work parties will be organized for Brothers. Potentially mid Spring (with a chance to launch after work is done), but also potentially coinciding with scheduled launches.

(group discussion around clearing methods)
